안 생략요!!

"Sob" "Sob"

That bitch?

I still have half a year  
to pay off the match  
I brought for her last  
month!

I told you so,  
but you didn't  
listen.

I did tell you that she  
was acting weird the  
last time I saw her.

Since you are paying  
me, I order something  
a little more expensive!

www.koreadigital.com

TEL 02-1279-8888 FAX 02-1279-8888

Order the cheapest!  
It's my money!

Good...  
I was the one  
who's paying

Don't mind me, as  
if you didn't buy the  
fish, the watch, you'd  
be rich still now!

hello, we'd like --  
black vanilla, spicy  
vanilla, roasted  
strawberry, grape vanilla  
and please.

Ah~

Women are all same!  
All they want is look money  
off men and abuse them!  
They are the worst!

You were the one who approached  
her, remember I?  
We told you not to  
what did you see in her anyway?

well ...

She was pretty ...

her smile  
was happy

That's  
I agree

That's all guys were  
about, right? You  
deserved this

well, my point is, why do  
you keep wanting nothing  
girlfriends especially when you  
change and up like this, every  
morning, and morning

That's right. You gotta  
tell them about making love  
to tell her you love her,  
and you gotta have these  
future this is going!  
tells. Huh. Huh

That's right. And you gotta  
have these delicious special-  
day parties like 100-day  
celebrations, birthdays,  
and so on.

That jerk...

알고있  
송구하

How dare he treat me  
like some kind of petting!

Heard it

I was opening  
the door...

It has a bad...

sound...

His soul has been  
in pain if talking to the  
crying like a creature?

I have a part time job and have to resume my study  
(The master he has returned from his 2-year military service in Korea)

And I gotta watch all the shows I downloaded

is it good Master?

And I have to look after my little cat, and I go out every day for a drink party with my friends

Master

I don't know to acquire before  
I graduate ... and ... the most importantly ...  
I gotta keep my focus  
(Ahem!) I'll be back  
p. 2

And I gotta go to college ... I gotta go to work ... I gotta go to the gym ...

Ah ... I think ...  
I'm ... I'm ...  
I'm ... I'm ...

It's not that I cannot make a boyfriend friend!

I am just too busy to make one!

What?!

A waiting?!

Yeah, I've given it a lot of  
thoughts at home.  
I do think you two are  
understanding relationships.  
It does require acceptable  
social skills, and you need to  
realize that.

You are basically  
trying to prove  
that you are  
better than us?

I had a  
girlfriend.

You know,  
the girl before  
I went into  
the military  
school.

100th anniversary, 100th anniversary

What?

Oh...  
guy?

Yes...

It's not like I don't have one because  
I can't! I have lots of going on in my  
life. I am too busy to have one!  
Let's get this over with!  
First, I will meet a guy. I will show you  
that I am full of feminine charms!

And why are

"feminine  
charms"?

uh...

You fell for it.

Just make sure  
you show up.

Gee, I didn't  
sign up for this.

I told them to make  
that decision in front of  
me, so there will be no way  
for you to be impacted right  
in the face ~

So ~ don't try too hard  
and just take it easy  
the gentleman and  
throw off whatever "chance"  
you have !

Good luck, friends ~

Oh... done it.

Excuse me...

You are... here for  
the meeting, aren't you?

Yeah, still not enough while you see,  
tells you guys were not there  
embarrassing situation from  
last evening to midnight with the date  
I was able to come up with this report  
after they told me what the hell were  
wrong with you

"Famous  
dancer" I  
Yeah,  
right.

황송  
황송  
꼭치고무 두장구, 곡한 아대로 문앞을거

You are those kids that  
want to go into military  
service ASAP. It takes  
both sides notes.

Oh, sure, just  
embarrassing yourself  
as well. You could have  
gotten straight to  
if you were devoted  
like that.

I don't talk about  
the military  
service in front  
of you !!

Get it wrong  
until he gets

Awes, today is...

It shouldn't be  
used like that,  
you know

How was she ?

We have (just)

Thank you so  
much

The first impression was  
very good. I must say  
the wait staff and ports.

You seem to be  
calling it like that  
Are you feeling well  
and I is it not  
good ?

Hello, my name  
is the Abbrupt

You... it's  
pretty good

I guess it expected too  
much from a 3-star  
moppy restaurant.

3 star members of  
'Good Taster' club.

Ah...

I am sorry.  
Should we  
relocate?

Maybe she  
doesn't like  
me?

I supposed to move just for looks, but  
we really did move to another  
But she seemed to like the other  
restaurant. All was well. I suppose  
Since she seemed to be very picky  
about food, I asked if she was a good  
cook. She replied -

No, I can barely cook  
these 3-men instant  
noodle. Anything more  
than that will become  
a disaster.

Well, "whatever".  
I thought and moved on.

After I got two tickets for a  
movie, I saw her playing a  
game at -

I guess you like games?  
Let's play games to  
kill time until the  
movie starts

Learn some etiquette!  
And learn about gaps!  
You should love for them!

Waku?  
Are you there?

I feel so sorry for the date  
and I had to apologize  
to her, dude.

Waku... how?

Waku (20' 20")

A, I am sorry  
but I don't do  
the often, so...

The first impression was perfectly  
fine. He was tall and looked quite  
handsome. And he wasn't infectious  
which is always a plus for males.

ANKL  
&

And then...

Ah, I know  
that actor.

Ah, do you  
watch American  
drama?

Yes, I've  
seen him in  
many American  
drama series.  
He's a very  
talented actor.

I watched a few episodes  
when I happened to watch  
cable TV.

Yes.

It was simply  
amazing.  
I hope to be able  
to write such a  
great one day.

Literature  
master.

Yes,  
talented.

His quiet and lonely image  
suddenly turned upside down,  
but he said he was literature  
major and wanted to be a  
writer, so I assumed that he  
loved talking about his major.

Excluded  
emotion  
2009  
Girl's acting-?

And he ran out of the theatre just like  
that. I am worse than a girl?  
Scarha: you know that I am quite talented,  
but this was so tiring on so many levels!  
Besides, I am afraid of rats.

What? I  
[he is afraid of cats?]  
Not good at all!  
Heigh, I'd dump such  
a woman.!

Heigh, how could you  
+ guy can get? I  
Chicken and I would  
be lost in a game? I  
lost at a horse.

Heigh, your date is  
a loser for sure  
he should have admitted  
that losing the game  
was a major blow.

Guards

Yeah, it's not like I demanded  
him to buy me some sexy  
expensive watch. It was just  
a game. It's for fun.

I paid for  
my date at  
the real  
restaurant

Yeah, and you write good  
essays. And you talk straight.  
What more can a girl ask  
for?

From what I see, you are  
a pretty cool high school girl.  
And your grades are good.

If our school  
friends, we  
might date.

## 날부거용 과화자참

(Don't get excited)

Are you two serious?  
Where is your confidence coming  
from?

How only if you remembered to look  
the date after you had a big one  
when you visited my house when  
we were in middle school,  
we might have had a go.

Will you ever stop  
talking about that? I  
remember how I could  
give from hell when  
we were high schoolers.

If you keep this up, you are going  
to marry a cat and in-game master  
eventually.  
Get whatever I don't care anymore.
